

GET 2,000 GALLONS MOONSHINE IN RAID

Danville, Va., June 11.—Federal officers, assisted by State prohibition agents and groups of county police made one of the largest raids ever attempted in this section during the early hours of Tuesday in the Mountain Valley section of Pennsylvania. Four stills were captured together with full equipment, sixteen gallons of liquor and over 2,000 gallons of "sour mash."

Repeated complaint from the Mountain Valley section led the police to go to great pains to make the raid a success. They succeeded in passing the blockaders' sentinels who were scattered around the stills. Squads of men were formed and at a given hour, closed in.

CUTS ORDERED BY RENT BOARD

16 Cases Decided by Commission After Period Of Inaction.
ONE SLASH \$125 TO \$60
This Complainant Will Get Three Months' Free Tenancy.

Following several days of inaction so far as decisions are concerned, the Rent Commission yesterday handed down opinions in sixteen cases, including a number of rent cuts and possession of property.

The largest rent cut was made in the case of Wade H. Reed and Emma Reed versus Mrs. M. H. Burrell and Thomas E. Petty, involving property at 1306 Fairmont street northwest. A monthly rental of \$125 was cut to \$60. Dating from date of filing complaint, it is estimated that the complainants will get three months' free rent.

Cuts were made in the rents in five apartments in the Plaza apartment house on Washington Circle, the F. H. Smith Company, agents, being the defendants in each case. The complainants and apartments affected are: K. A. Kraig, apartment 503, cut from \$40 to \$35; M. A. Patterson and S. C. D. Prentice, apartments 504 and 506, cut from \$35 to \$30; N. E. Gilbert, apartment 404, cut from \$35 to \$30. The rent of F. M. Burt in apartment 392 was set at \$50 instead of \$40 although an increase to \$55 had been requested.

Appellant Denied Transcript.
The application of George W. Linkins for copies of transcript in the case decided against him in favor of Edgar L. Myers, for appeal to the Court of Appeals, was denied. This decision involved eight apartments at 1448 Girard street in which cuts were made by the commission ranging from 12 1/2 to 25 per cent.

The petition of Andrew Oehmman against J. J. Soper and others for authority to increase rents on premises at 1012 to 1020 Seventh street southeast, was denied. The commission held that the present rental of \$16 for 1012; \$16.50 for 1014; \$14 for 1016; \$15 for 1018, and \$14 for 1020 is sufficient.

In the complaint of Jesse G. Pratt against Fred P. Davis, rent of premises at 1112 East Capitol street was increased from \$50 to \$57.50.

In the complaint of Niepold and Sons against Victor E. Desio and Sol Greenberg, the commission reduced the rent on the second floor apartment at 1005 H street northeast, from \$42.50 to \$35 and on the third floor from \$40 to \$35.

Maj. Weaver Wins.
Rent of apartment 23 at 1815 Kalorama road, in the case of Maj. James R. N. Weaver against L. Gibson White, was reduced from \$75 to \$52.50.

The case of Joseph C. Datcher against James Hawkins for possession of property at 915 C street southeast, was dismissed as tenant had vacated.

The following possession cases were decided in favor of the complainants:
Norma M. Fuller against G. H. Gerald, 4933 Conduit road northwest; Irving W. Luskey against Wm. Nietzey, 1122 Morton street northeast; Mrs. Harry H. Lee against Mrs. Martha H. Burwell, 1005 East Capitol street; William J. Nietzey against Edward Miller, 618 Morton place northeast; and Peasey H. Earley against Irving Luskey, 905 Kent place northeast.

"THE BABSON BUREAU" DISSOLVED BY COURT

Chief Justice McCoy in Equity Court yesterday signed a decree of dissolution affecting "The Babson Bureau, Inc." of this city, a research corporation organized by Roger Babson, the statistician. Babson himself owned all the stock. The reason for the dissolution, Babson said, was that the local corporation had failed to accomplish what it set out to do and also conflicted with the "Babson Bureau," a separate organization in Massachusetts.

The local corporation had a reserve fund of \$100,000. The work it attempted to do is now being carried on by the United States Bulletin Company, another Babson organization.

LEAGUE PLANK BLOW TO DEMOCRATS HERE

Washington opinion on the league of nations plank, necessarily Democratic due to the utter dearth of Republicans at this time, was for the most part philosophical. There was no denying the fact that Democratic hopes were highest when the reports from Chicago indicated that there might be a split over the league plank and the compromise without a bolt left quite a void in the enthusiasm.

"This thing has lost interest for me now," was the statesmanlike conclusion of Joseph P. Tumulty. "It's perfectly satisfactory to me. I could not have done better if I had written it myself," said Newton D. Baker, Secretary of War.
